

ASSISTED REPRODUCTION SERVICES	ADDITIONAL OPTIONS	COST	ENDOMETRIUM PREPARATION	MEDICATION COST
IVF or Intra Cytoplasmic Sperm Injection (ICSI) in natural cycle		1.650 €	165 €	Not included
Classic IVF or Cytoplasmic Sperm Injection (ICSI)		3.000 €	165 €	
	Blastocyst embryo transfer	3.350 €	165 €	
	Sperm donation	3.500 €	165 €	
	Sperm donation with blastocyst embryo transfer	3.950 €	165 €	
IVF or Intra Cytoplasmic Sperm Injection (ICSI) with egg donation and FRESH embryo transfer (Price is calculated for approximately 10 oocytes per attempt)		6.500 €	165 €	
	Blastocyst embryo transfer	6.850 €	165 €	
IVF or Intra Cytoplasmic Sperm Injection (ICSI) with egg + sperm donation and FRESH embryo transfer (Price is calculated for approximately 10 oocytes per attempt)		7.000 €	165 €	
	Blastocyst embryo transfer	7.350 €	165 €	
IVF or Intra Cytoplasmic Sperm Injection (ICSI) with egg and sperm donation (Includes the embryo transfer of 2 cryopreserved embryos at blastocysts stage)		4.350 €	165 €	
Additional embryo transfer from previous attempt (cryopreserved embryos)		1.300 €	165 €	
Stimulated Intrauterine Insemination (IUI)	Sperm processing	400 €		
Intrauterine Insemination (IUI) with sperm donation (with or without stimulation)	Cycle monitoring	900 €		
Assisted Hatching (AH)		200 €		
Surrogacy		Cost per case		
100% MONEY BACK GUARANTEE IVF/ICSI PROGRAMS	INCLUDES	COST	ENDOMETRIUM PREPARATION	MEDICATION COST
IVF/ICSI with own eggs - Full refund in case of failure (under specific prerequisites)	3 ovarian stimulations and all embryo transfers with the obtained embryos (fresh and cryopreserved)	9.000 €	165 €	Not included
IVF/ICSI with egg donation - Full refund in case of failure (under specific prerequisites)	3 ovarian stimulations of a donor and all embryo transfers with the obtained embryos (fresh and cryopreserved)	14.500 €	165 €	
IVF/ICSI with egg and sperm donation - Full refund in case of failure (under specific prerequisites)	3 ovarian stimulations of a donor, donor's sperm and all embryo transfers with the obtained embryos (fresh and cryopreserved)	15.000 €	165 €	

ADDITIONAL SERVICES	INCLUDES	COST	MEDICATION COST	
Sperm cryopreservation	Sperm processing	300 €	Not included	
Egg cryopreservation with ovarian stimulation	Cardiac examination, electrocardiogram, anesthesia	2.000 €		
Storage of cryopreserved eggs, sperm or embryos		300 €/per year		
Sperm collection by testicular biopsy (MESA, TESA, PESA, TESE, PESA)	Cardiac examination, electrocardiogram, anesthesia	1.000 €		
Sperm donation (sperm concentration more than 30 million per ml and motility a + b over 40%)		500 €		
Microfertilization IMSI		500 €		
ASSISTED REPRODUCTION DIAGNOSTIC SERVICES	INCLUDES	COST	NOTES	
Sperm analysis		80 €		
Sperm culture		55 €		
Sperm DNA fragmentation		200 €		
Serological testing (HBsAg, HCV, VDRL, HIV I-II)		80 €		
Peripheral blood karyotype		275 €		
Couple's peripheral blood karyotype		505 €		
Thrombophilia control for 13 mutations		170 €		
Anti-paternal antibodies		110 €		
NK cells		45 €		
Complete NGS (next-generation sequencing) gene control	Mutation search for more than 4900 genes	1.500 €		
Hysteroscopy	Cardiac examination, electrocardiogram, anesthesia, afhesions and polyps removal	785 €		
Preimplantation Genetic Diagnosis (PGD)		4.000 € (basic price)		The additional cost depends on the type of genetic abnormality and the number of embryos
Preimplantation Genetic Screening (PGS)		4.000 € (basic price)		The additional cost depends on the number of embryos under investigation: 1 - 4 embryos 1.500 €, 5-8 embryos 2.000 €, 9 - 12 embryos 2.500 €
Embryoscope (fetal viability assessment)		600 €		
Transvaginal culdocentesis	Cardiac examination, electrocardiogram, anesthesia	785 €		

ASSISTED REPRODUCTION TREATMENTS		INCLUDES	COST	MEDICATION COST
Endometrium preparation treatment before embryo transfer			165 €	Not included
Endometrial scratching with hysteroscopy	Cardiac examination, electrocardiogram, anesthesia		785 €	
Ovarian PRP (ovarian rejuvenation)	Cardiac examination, electrocardiogram, anesthesia		1.200 €	
Endometrial scratching with hysteroscopy and ovarian PRP	Cardiac examination, electrocardiogram, anesthesia		1.600 €	
Endometrial scratching with hysteroscopy and endometrial PRP	Cardiac examination, electrocardiogram, anesthesia		1.200 €	
Endometrial scratching with hysteroscopy, ovarian and endometrial PRP	Cardiac examination, electrocardiogram, anesthesia		2.000 €	
Intratesticular PRP	Cardiac examination, electrocardiogram, anesthesia		1.200 €	
HEALTH CHECK-UP PACKAGES		INCLUDES	COST	NOTES
Complete hormonal testing for women			220 €	
Complete hormonal testing for men			200 €	
Mammography and breast ultrasound			75 €	
Complete fertility check-up for women			850 €	
Complete fertility check-up for men			410 €	
Couple's complete fertility check-up			1.150 €	
General health check-up for men			300 €	
General health check up for women			460 €	
Full gynecological check-up	Vaginal examination, PAP-smear & vaginal secretions culture, vaginal ultrasound, breast ultrasound		150 €
